Why we share pupil information

The school is required to share pupils' data with the DfE on a statutory basis. The National Pupil Database (NPD) is managed by the DfE and contains information about pupils in schools in England. We are required by law to provide information about our pupils to the DfE as part of statutory data collections, such as the school census; some of this information is then stored in the NPD.

The DfE may share information about our pupils from the NDP with third parties who promote the education or wellbeing of children in England by:

- Conducting research or analysis.
- Producing statistics.
- Providing information, advice or guidance.

The DfE has robust processes in place to ensure the confidentiality of any data shared from the NDP is maintained. We will not share your personal information with any third parties without your consent, unless the law allows us to do so.

Who we share pupil information with

We routinely share pupil information with:

- Our local authority (Devon County Council)
- the Department for Education (DfE)
- the NHS
- Social Services
- Career Services
- Schools/Local authorities that pupils attend after leaving us

You also have the right to:

- object to processing of personal data that is likely to cause, or is causing, damage or distress
- prevent processing for the purpose of direct marketing/communication (opt out)
